Version 1.0 · October 2026

01 · LOGO

The SwiftLoan logo

A rounded teal-to-green tile with a slanted rupee sign and three speed lines, next to the SwiftLoan wordmark. “Swift” is teal, “Loan” is dark ink.

Logo mark

Logo with wordmark — on light backgrounds

On deep teal — “Swift” turns mint (#7DEBC0)

On the brand gradient — wordmark all white

Clear space and size

Clear space	½ the mark’s height, all sides
Minimum mark size	24 px
Minimum with wordmark	90 px wide

PLEASE

- Use the logo files exactly as supplied.
- Keep it on a plain, high-contrast background.
- Keep the original proportions.

PLEASE DON’T

- Recolour, stretch, rotate or add effects.
- Rebuild the mark or add text inside it.

03 · TYPEFACE

Typeface

Our mobile app uses Inter for all text; it is an open-source typeface available free from Google Fonts. Our website uses Open Sans, which is also free from Google Fonts. Either works well beside the SwiftLoan brand; please use whichever matches where your page appears.

Aa

Inter

Mobile app. Weights: Regular 400, Medium 500, SemiBold 600, Bold 700, ExtraBold 800.

Aa

Open Sans

Website. Weights: 400, 500, 600, 700, 800.

Suggested sizes for a web page

USE	SIZE	WEIGHT	EXAMPLE
Page heading	27–33 px	ExtraBold 800	**Your offer**
Section heading	19 px	Bold 700	**Loan details**
Body text	15 px	Regular 400	Review the details and continue.
Label	13 px	SemiBold 600	**Monthly EMI**
Small caps label	11 px	Bold 700	**INTEREST RATE**

Tips

- Tight letter-spacing (about −2%) on large, heavy headings.
- Keep amounts and rates in Bold or ExtraBold so they stand out.
- Don’t go below 13 px for body text on mobile.

Fallback

```
font-family: Inter, "Open Sans",
system-ui, sans-serif;
```

Amounts use the ₹ sign and Indian grouping, e.g. ₹5,00,000.
